

Same Road, Different Control!

Which scene demands 100% of your attention at this second?

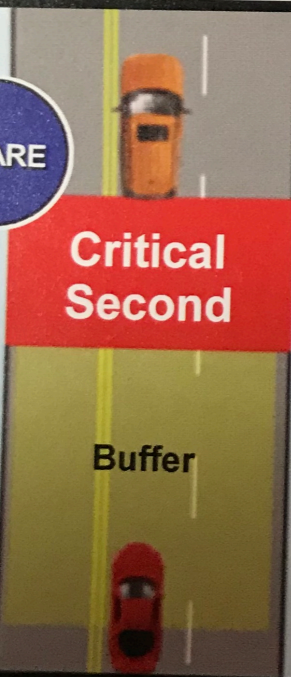

4 = By Habit 3 = OKAY Without Coaching 2 = Okay With Coaching 1 = More Practice

Circle the page number of the action to be practiced.

After viewing a Set of activities, circle the page numbers that are listed. Then, you can flip through the pages to find those actions that are to be practiced.

AWARE

Find the "Critical Second."

The "Critical Second" is when other vehicles and users of the roadway are within one second of your vehicle.

It's the last second before a potential crash!

Check this circle when you are confident that you can explain or demonstrate the actions on these two pages.

Habit 2: Search to the Target Area for Critical Seconds
