

AWARE

Search the **A Zone** to evaluate Lane Positions of oncoming vehicles. **Find a vehicle that is in LP2.**

ACTION

When you find a vehicle in LP2, evaluate your C Zone to see if you would have an **escape path** to take if needed. Each day try to find five vehicles that are in LP2. Give yourself a reward of knowing that you are building habits of Awareness to prevent crashes caused by others' wrongful actions.

Fold on lines. Use glove box as a holder.

Warning: Read cue before moving the vehicle.
